Anspro Technologies

Find a better solution

Date: 31th Aug 2020

Internship Completion Letter

This is to certify that **Ms. Harshitha B Raghuram,** Vemana Institute of Technology, Computer Science and Engineering was working with us from 13th July 2020 to 27th August 2020. She was working as Intern on AI and Machine Learning using Python. She has worked on "Text News Summarization" project.

During the internship, intern was found to be good and disciplined.

Yours faithfully
